RE: Jason Eric Bewley  
4:18CR00202-001

**CAUSE**

Mr. Bewley is currently in custody with the Bureau of Prisons, and is scheduled to be released on August 5, 2020. This officer received a release plan from Case Manager B. Koster, indicating Mr. Bewley has no residence to release to and will be homeless upon completion of his custodial sentence. Mr. Bewley has voluntarily agreed to a modification of his conditions of supervised release to include halfway house placement upon his release from the Bureau of Prisons. This placement will enable the offender to reside at the halfway house, establish employment and secure a residence. Upon securing acceptable and verifiable residence, Mr. Bewley may be released from halfway house placement.

**UNITED STATES DISTRICT COURT**

**Waiver of Hearing to Modify Conditions**  
**of Probation/Supervised Release or Extend Term of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or the proposed extension of my term of supervision:

**COMMUNITY CONFINEMENT:** The defendant is required to participate in a community treatment center, halfway house or similar facility for a period of up to 180 days, immediately after this document is signed and filed by the Court, or as soon as the facility is prepared to accept the defendant.

Placement at the halfway house will afford the defendant the opportunity to seek and secure gainful employment which should ultimately result in procuring suitable residence.

Should the defendant secure suitable residence, he will be released from the halfway house and continue on supervised release.
